Chapter 2, section 28 - The use of spiked or other special training collars WILL NOT be permitted on the trial site. DRILLING, INTENSIVE OR ABUSIVE TRAINING ON THE SHOW GROUNDS WILL NOT BE TOLERATED. These requirements should not be interpreted as preventing a handler from moving normally about the grounds or premises or from moving normally about the grounds or premises or from warming up their dog using any exercise performed in the obedience ring, provided the dog is on a leash being held by the handler. Warm-ups should be performed as far from the obedience rings as is reasonably possible and must not be disruptive to any dog or person. Physical or verbal disciplining of a dog will not be permitted, except to a reasonable extent in case of an attack on either a dog or a person.
